CHAMPIONSHIP- To qualify for the Championship you must fish 4 events no matter the finish. If you can not make the event you can enter and pay fees without fishing to make your total 4 events to qualify.

Event Registration — All Competitors may PayPal fees to the director by the Wednesday before competition or pay at an optional captain's meeting the morning of the tournament.

### D. Entry Fees —

No Satisfaction Guarantee — Competitor understands and agrees that payment for the Event does not secure a guarantee or promise of satisfaction.

Competitor's failure or inability, for any reason except as otherwise provided herein, to participate in any or all of the activities of the Event does not relieve or suspend the Competitor's obligation to make all payments required by Rules on a timely basis, nor entitle the Customer to a refund or credit, except as provided below.

E. Payment — Competitor agrees that once an Event Registration is submitted, the terms and conditions of the Competition Rules constitute an Agreement that is a legally binding and enforceable obligation of Competitor.

F. Competitor's Right to Cancel — Any competitor wishing to cancel an Event Registration may do so by emailing the Tournament or Series Director at the email address [armyguy24523@yahoo.com](mailto:armyguy24523@yahoo.com)

G. Pre-Tournament Check-in — Each Tournament Competitor is responsible for reviewing the Schedule of Events in the Event Rules Addendum for pre-event check-in times and location.

H. Captains Meeting Participation — Tournament Competitors are required to attend an on-site Captains Meeting or view a recorded “Virtual” Captains Meeting Webcast. Failure to either view a Virtual Captains Meeting or attend an on-site Captains Meeting results in a Competitor’s disqualification from the Event.

## 2. Fish Eligibility

A. Species—For “Bass” only “black bass” are eligible for scoring. That designation includes the three most common species (Largemouth Bass – *Micropterus salmoides*, Smallmouth Bass – *Micropterus dolomieu*, and Spotted or Kentucky Bass – *Micropterus punctulatus*) as well as other less well-known species or varieties:

- i. Shoal Bass – *Micropterus cataactae*
- ii. Redeye Bass – *Micropterus coosae*
- iii. Suwannee Bass – *Micropterus notius*
- iv. Guadalupe Bass- *Micropterus treculi*
- v. Bartram’s Bass – *Micropterus bartrami*
- vi. Alabama Spotted Bass – *Micropterus punctulatus henshalli*
- vii. Mean Mouth Bass – hybrid offspring of *M. dolomieu* and *M. punctulatus*

B. Length—The minimum length of bass scored in competition is 8 inches. Photos of bass shorter than the minimum will be denied.

C. Condition—Fish must be hooked in the mouth or jaw. It may not appear to have snagged, snatched, or hooked in the body or a fin. Fish must appear to be alive. If fish appears to be dead, mutilated, frozen, mangled, or otherwise damaged, or it appears to have been mashed, mauled, or otherwise altered, the photo will be denied.

D. Caudal (Tail) Fin—The tip of at least one lobe of the caudal (tail) fin must be in contact with the measuring board. If the entire caudal (tail) fin is lifted away from the measuring board so that the tip is no longer in contact, the photo will be denied.

E. Eye—The fish’s left eye must be visible in photo. Violation will result in denial of the photo.

### 3. Competition Period

A. Competition start and end dates and times are stated in the Event Rules Addendum. Any Competitor who launches (i.e., propels an occupied boat away from the shore) before the stated “Earliest Launch” time or begins fishing before the official Competition Start Time on any day of competition will be disqualified from the Event. Under no circumstance will a fish photographed outside of the official Competition Start and End times be considered for scoring.

B. Check-in—Tournament Competitors who want fish judged must be in the Judges’ Check-in Line at Tournament HQ by the time specified in the Event Rules Addendum. Failure to be in or through the Judges’ Check-in Line by that time will result in disqualification from the Event.

C. Early Check-in—Tournament Competitors who don’t wish to submit fish must text or email the director to let us know you made it off the water. That info will be posted in each event’s details.

4. Pre-fishing — Practice in Eligible Water more info is permitted until the time specified in the Event Rules Addendum on the day prior to Competition. If no pre-fishing deadline is stated in the Addendum, then practice may continue up until six hours prior to competition start time. There are no restrictions regarding areas, type of watercraft, or types of bait used in pre-fishing. Fishing on the event’s eligible water after the specified pre-fishing deadline will result in disqualification from the Event. (Refer to Rule 6 regarding pre-fishing with a professional fishing guide.)

### 5. Competition Area

A. Competitive fishing is allowed only on publicly-accessible waters within the geographic area designated by the Event Rules Addendum as “Eligible Water more info.” Photos of fish caught outside of eligible water boundaries will be denied.

B. Competitors may launch from any public-access shore directly onto Eligible Water or may launch and then paddle or portage to Eligible Water. Crossing restricted property to reach Eligible Water is not permitted. Tributaries, canals, sloughs or estuaries separated from the rest of eligible water by temporary obstructions (e.g., fallen trees, log jams, beaver dams) that, if removed, could be entered by floating/paddling are considered eligible waters in which competition is permitted, and competitors are permitted to drag or portage watercraft over or around such obstructions. Those separated by obstructions of a permanent nature (e.g., levees, earthen or concrete dams, berms, roadbeds, spillways, waterfalls) are ineligible water, and competition in such areas is prohibited. Violation will result in disqualification from the Event.

C. Competitors are not restricted to fishing where they start out each day but are permitted to relocate to other Eligible Water during tournament hours.

D. Watercraft must not be anchored in such a position as to prevent or block access for other watercraft or powerboats. Violation will result in disqualification from the Event.

E. Wade fishing is permitted provided the Competitor uses his watercraft to access the fishing location. Fish caught while wading or walking the shoreline ARE eligible for submission; however, each Competitor must be within sight of his watercraft while fishing, and the watercraft must appear in every fish photo submitted. Competitors may depart the watercraft to catch and land fish. If a Competitor must go out of sight of his watercraft for any reason (e.g., for a restroom break or to contact a tournament official by phone or other means, or to report an emergency), he must cease fishing until he returns to his watercraft, at which time he may resume fishing. Violation will result in disqualification from the Event.

A. Up until the end of the established pre-fishing period, competitors may fish with and receive direct assistance from other anglers and professional guides on the Eligible Water, except as restricted in Rule 6.B. and 6.C., below.

B. Within 30 days prior to the Event, a Competitor may not fish on Eligible Water with, nor receive expert advice from, a professional fishing guide who receives payment for those services. Violation will result in Competitor's disqualification from the Event.

C. Before and during the event, competitors may (i.) share gear, tackle and equipment, (ii.) assist in photographing a fish for submission, and (iii.) communicate with and fish in proximity to other people, including other Competitors (except Professional Fishing Guides, as stipulated in Rule 6.B., above); however, Competitors may not receive assistance in catching fish that are photographed and submitted for scoring, including boat positioning, casting, retrieving, hooking, playing, or landing a fish. Violation will result in Competitor's disqualification from the Event.

## 7. Fishing Tackle, Equipment, and Methods

A. All fish submitted for score must be caught live by the Competitor who submits them for scoring using only equipment and legal methods that comply with all sportfishing statutes and regulations of the states and body of water in which they are taken. Competitors are responsible for research of and compliance with all applicable fishing and boating regulations. Snatching or snagging fish is not permitted. When visually fishing a bed for spawning bass, to be admissible all bass must be hooked inside the mouth. Violation will result in disqualification from the Event.

B. All fish must be caught by the Competitor on rod, reel, line and hook with artificial lures only. No traps, snares, set lines or other methods of fishing other than rod, reel and line are permissible, even if legal under state game laws. Violation will result in disqualification from the Event.

C. Acceptable measuring boards include the Hawg Trough manufactured by Hagen's (pictured below), a FishStik Version 2 (with Bump Board Arrows and Lock Slide) and the Ketch Co Measuring Board. Measuring boards may be shortened by removing inches from the upper end (opposite the fence) For example, one may cut a measuring board off at the 26 inch mark in order to fit crossways between a watercraft's gunwales. However, it may not be broken, snapped, or cut apart and then reassembled at any point between the two ends. A crack that does not separate the measuring board into pieces and does not affect the measuring board's accuracy may be repaired and reinforced for use. Violation will result in denial of photo.

Hawg Trough

D. Competitors may share measuring boards.

E. A break of the measuring board's fence may be mended for use if the repair is rigid, flat and at a right angle to the measuring surface. The mended measuring board must be submitted to the Tournament or Series Director, personally or by two or more emailed photographs that clearly show (i.) the mended area and (ii.) a side view of the measuring surface and the fence. Violation will result in denial of photo.

F. Each competitor must use a mobile phone with camera or a digital camera or video camera capable of producing still photos with memory card and/or download cable to submit digital photographs.

When a Competitor's smart phone becomes inoperable or is lost, he may share smart phones with other Competitors, provided each Competitor logs into his own TMS account in order to submit photos of fish he caught. Competitor under the same circumstances may share digital cameras, provided each Competitor can clearly and positively identify photos of the fish he caught. Violation will result in denial of photo.

G. Only artificial lures and biodegradable artificial lures may be used. No live bait, preserved bait, or prepared bait will be permitted during competition, with the exception of pork strips or rinds. Violation will result in disqualification from the Event.

H. Only ONE casting, spin-casting, spinning, or fly rod and reel may be in use at any one time. A rod and reel is considered to be "in use" when a lure attached to it by a line is in or on the water. A hung lure (one snagged in an overhanging tree) that is not in or on the water is not considered in use and the attached rod and reel may be set aside while another is in use.

I. Nets and grippers (e.g., Fish Grip, Boga-Grip) may be used for landing fish during tournament competition, but grippers must not remain attached to the fish in photos. Violation will result in denial or disqualification of the photo.

J. If a Competitor breaks his line while setting the hook or retrieving a fish, he is allowed to make an attempt with the rod being used or by hand to secure the line and land the fish to be counted as legal. He may NOT hook the line with another lure, rod and reel, or other device. If a Competitor loses his rod and reel while landing a fish he MAY use another rod and reel to retrieve the lost outfit. If after retrieval, the fish is still hooked, it may be landed, photographed, and submitted as a legal fish. Violation will result in disqualification from the Event.

## 8. Watercraft & Propulsion

A. Watercraft acceptable for use in Competition are:

i. Small, narrow, single-hull watercraft not exceeding 44 inches in hull width and 17 feet in hull length, or 18 feet in combined hull length plus attachments, and...

ii. that the manufacturer identifies and sells as a kayak, including inflatable kayaks and modular kayaks

iii. Stand-up paddleboards (SUP)

iv. Other watercraft specifically approved as exceptions in advance of competition by Management. Approved exceptions for 2019 are:

- Blue Sky Boatworks 360 Angler
- Biyak

If unsure about the acceptability of a watercraft, contact Management in advance for eligibility determination.

vi. Unless approved as exceptions by Management, the following watercraft may not be used in competition:

- a. Gas- or liquid-fueled motorized or hybrid fuel/electric powerboats or personal watercraft
- b. Sailboats
- c. Jon boats
- d. Pirogues, coracles, and rowboats
- e. Dinghies and skiffs
- f. Float tubes, inflatable rafts, and rigid inflatable boats (e.g., Zodiac)
- g. Pontoon boats, pontoon-style pond boats, twin-hull watercraft, or similar.

Use of watercraft in competition other than those listed above as acceptable or exceptions will result in disqualification from the Event.

B. Watercraft propulsion is restricted to paddle, pedal, pole, or electric motor.

C. Unless specifically prohibited in the Event Rules Addendum, use of a single electric propulsion unit per watercraft in sanctioned competition is approved with the following restrictions:

i. Competitors must comply with all boating regulations pertaining to motorized kayak/electric-propulsion watercraft registration, use, and operating restrictions for the designated fishing area. Violation will result in disqualification from the Event.

ii. Electric motor used to propel a watercraft:

a. must be attached to the kayak in a safe manner for operation, and

b. may not exceed the lesser of (a.) manufacturer's labeled Maximum HP/Thrust Capacity, (b.) 3 HP, or (c.) 155 foot-pound thrust. Violation of either condition will result in disqualification from the Event.

D. Towing, transport or relocation assistance from another watercraft, including "mothershipping," is only accepted for transporting youth under the age of 12 yr old or in case of an emergency.

9. Photo Standards—Digital photographs of each fish submitted to judges for scoring must meet these criteria:

A. Unique—Each digital photo submitted in each Event must be of a different fish. Subsequent digital photos of the same fish submitted by the same Competitor in an Event will be denied.

B. Visible/Legible—Each photo must be in sharply focused and clear enough for a judge to:

i. Verify the correct Identifier Form and Event ID Code. Inability of the judge to verify will result in denial of photo.

ii. Verify the fish's condition. Violation will result in denial of photo.

iii. Verify the fish's length. Judge will score fish at the greatest length of which he is certain.

iv. Verify whether the bass' jaw or lip, or the redfish's nose, is in contact with the measuring board fence. Inability of the judge to verify will result in a penalty of 1 inch.

v. Except where covered by hand or fingers, the entire fish, from its mouth/jaw to the tip of its caudal (tail) fin, must be visible in photos. If either end is covered or cropped off, the photo will be denied.

C. Centered—Camera lens positioned directly over the center of the fish's body, which contributes to accurate measurement by judges. Photos taken at a low angle in order obscure an open mouth may be denied or penalized at the Tournament or Series Director's discretion.

D. First-generation—Each digital photo must be a first-generation image (not a photo or screen-shot of another photo). Violation will result in denial of photo.

Photos submitted for scoring that, in judges' opinions, contain evidence of a possible disqualifying infraction—including photos that appear to have been cropped or modified (e.g, image enhanced or filtered) in such a way as to obscure infractions—will be accepted with a score of 0.01" and a note indicating the nature of the infraction is emailed to the Competitor. The Tournament or Series Director will review all such photos and will make any disqualification ruling. The Tournament or Series Director may also contact Competitors to request submission of original un-cropped, un-filtered photos for further review and verification. Failure by Competitors to respond or refusal to submit the original photo will result in denial of the photo.

E Identifiable—Official Identifier Form above, below, or beside that fish (not covering any portion of the fish, unless attached to the Competitor's hand or arm). Neither a hand-drawn form nor an image of the Identifier Form on a smart phone are permissible. Violation will result in denial of photo.

F. Background—Competitor's watercraft clearly visible in the photograph. Violation will result in denial of photo.

G. Hand Position.

i. In bass competition, hand or finger(s) may be in contact with the caudal peduncle (fleshy, scaled part of the bass' body at the base of the caudal fin) but not touching any portion of the caudal fin (tail fin). Violation will result in a 1-inch deduction in score.

Bass no-touch / no-cover zones

ii. No portion of a hand or finger may be under the fish's operculum (hard gill flap). Violation will result in denial of photo.

H. Mouth

i. Bass' lip or jaw or redfish's nose must be in contact with measuring board fence (bump board, upright), and the fence must be visible in the photo. Violation will result in denial of photo.

ii. In bass fishing competition, a closed mouth is preferred for uniformity of measurement. If judge considers the mouth to be open 1/4 inch or more, even if it is structurally unable to close, a one-inch penalty will be assessed.

I. Not "In-possession." In most states, though not all, unless a fish is secured by a restraint device or is placed in a holding container, state regulatory agencies do not consider it to be "in possession" by Competitors, so states' minimum length regulations do not apply for photo submissions. If Event takes place in a state where photographing a fish constitutes "possession," and a photo is submitted of a fish that does not comply with state size limits, the photo will be denied. (Refer to regulatory compliance, Rule 7.A.)

## 10. Scoring

A. Fish length is determined by its caudal fin (tail fin) touching or crossing the factory-marked quarter-inch mark increment (e.g., ridges, grooves) on the measuring board. If it falls short of a 1/4-inch factory mark, the length is rounded down to the next lower 1/4-inch mark that the bass' caudal fin actually touches or crosses. In reviewing photographs, judges will visualize as accurately as possible where a 1/4-inch factory mark would be if it extended the full width of a board and use that imaginary line to determine a fish's length.

B. In bass fishing competition, if any portion of a bass' caudal (tail) fin extends off the edge of a Measuring Board surface, the score will be determined by the highest 1/4-inch measurement reached or crossed by the portion of caudal fin on the Measuring Board. Any portion of the caudal fin extending off the edge of a Measuring Board is not considered in scoring. Alignment aids and attachments to a approved measuring board (e.g., a cradle attachment for the Ketch measuring board) will not be considered part of a Measuring Board surface when determining a fish's length.

C. Tournament ranking, contingency awards, Angler of the Year Points, Challenge Points, and Championship qualification shall be determined by the aggregate length of each Competitor's photos remaining on the Leader Board when judging has concluded and the Dispute Period has closed. Unless otherwise stipulated in the Event Rules Addendum:

i. In one-day tournaments the scores of the five longest fish on the Leader Board when judging is complete will be combined to determine the aggregate score.

D. If a Competitor's photo is denied by a judge after end-of-competition, it may be automatically replaced by a previously submitted and auto-culled photo; however, no Competitor may submit a replacement photo after end-of-competition time.

E. In the event of a tie in score, the tied competitors' longest (highest-scored) fish are compared, and the tie breaks in favor of the competitor with the longest (highest-scoring) fish. If the longest fish are equal, the second-longest fish are compared and determine which competitor wins the tie. If the second-longest are identical, the process repeats for each of the remaining fish.

F. judges apply the following scoring criteria to adjust measurements, approve or deny photos, and to penalize photos by deducting points (length) or disqualifying a Competitor.

a. Photo	Blurry photo/length unclear:	scored at the highest mark of which there is no doubt n/a

E. The Competitor shall:

i. Make himself/herself available at the location selected by the Tournament or Series Director or Chief Operations Officer.

ii. Cooperate in all respects with such test.

F. Competitors may be selected at random to undergo polygraph examinations during or following competitive Events.

## 12. Awarding of Prizes

A. Prizes and numbers of positions paid out are addressed in the Event Rules Addendum. Amounts paid per rank are subject to change based on participation (lower value for fewer entries and higher value for more entries) and sponsor provision.

B. Prizes will be processed after all photos submitted for scoring have been judged, the results reviewed by a separate panel, and disputes have been resolved.

C. Product prizes (e.g. kayaks, paddles, propulsion units) may require additional processing or delivery time. This allows competitors some flexibility in selection of model, color or style. Product selection may be limited to specific features and models.,

13. Taxes — Competitors are responsible for all applicable taxes on both cash and merchandise awards. Failure to meet those obligations may result in disqualification from all future events. All prize recipients whose cumulative total for the year adds up to \$600 or more must fill out and turn in an IRS Form W-9 including name, address, social security number, signature and date. These are used to prepare IRS 1099 forms for distribution in January.

14. Sale of Prizes — No prizes won participating in Events may be advertised or promoted for sale on The Bass Cast Kayak Bass Series Facebook pages for a period of one full year. Violation of this rule will result in ineligibility for all future events and forfeiture of qualification status.

## 15. Safety

A. During competition, every Competitor must have all required Coast Guard safety equipment, (e.g., light source, whistle or other audible signal device, Coast Guard-approved, chest-type life preserver [PFD]). See [www.uscgboating.org/](http://www.uscgboating.org/).

B. PFD Usage — At all times, except as described below (Rule 15.C. PFD Wear Exception) while on the water during competition hours, Competitors must wear either an inherent-flotation or inflatable USCG-certified PFD, either vest-style or float jacket. A belt-style PFD, even one that deploys as a vest, is not permitted during Competition. The PFD must be properly positioned and adjusted (e.g., fully buckled and zipped) to conform with USGC and

manufacturers' instructions. When an infraction, as described above, is verified by the Tournament Director, the Competitor is disqualified from participation in the Event.

C. PFD Wear Exception — If all of the following conditions exist, Competitor may briefly remove his PFD while afloat in order to change, add or remove articles of clothing:

- i. No fishing lines are in the water; and
- ii. The watercraft is not underway; and
- iii. Weather and water conditions permit one to do so safely; and
- iv. Competitor is over the age of 12.

When finished changing his attire, Competitor must immediately put the PFD back on before resuming navigation, fishing, or any other competition-related activity.

D. The Tournament or Series Director has the right to postpone or cancel the start of an official tournament day because of adverse weather conditions or other factors that would jeopardize Competitors' safety. Tournament waters may also be restricted at any time because of bad weather.

E. In the event of weather emergencies that pose an imminent threat to Competitors, the Tournament or Series Director may terminate Competition before the scheduled end-of-competition time. An Early Termination Announcement with an adjusted end-of-competition time will be broadcast to Competitors via email and group text messaging and will also be posted on the TMS site and social media sites. The Announcement will also specify an adjusted report-in time and location. If safe to do so, upon receiving the Announcement, Competitor should make his way to the specified location at that time.

Competitor is required to stop fishing as soon as he receives the Early Termination Announcement. No photos of fish caught after the adjusted end-of-competition time may be submitted for scoring; however, to accommodate those seeking shelter immediately, Competitor has up to 15 minutes after the Adjusted End Time to submit a photo of any bass caught before the adjusted end-of-competition time/photo submission deadline.

F. In the event of an emergency situation, Competitor should call 911 first and then notify tournament officials as soon as possible.

G. Use of alcohol or drugs (other than those purchased over-the-counter or prescribed by a licensed physician) by any Competitor during an Event will not be tolerated and will be cause for automatic disqualification from this and all future tournaments. No alcoholic beverages or other non-prescription stimulants or depressants shall be allowed in watercraft during competition days. Chemical substance addiction or abuse, conviction of a felony or other crimes involving moral turpitude, or other conduct reflecting unfavorably upon efforts to promote safety,

sportsmanship, fair competition and compliance with tournament rules, shall be grounds for rejecting any application for participation and/or for disqualification after circumstances are reviewed by the Director of Operations. Any disqualification, suspension from, or other disciplinary action regarding any tournament or fishing organization, shall be grounds for rejecting any application for participation in a tournament, and/or disqualification from a tournament, after circumstances are reviewed by the Director of Operations.

#### H. Night Tournaments

i. All participant boats must be equipped with working Coast Guard-approved running lights. Running lights must remain on in accordance with the governing state regulations. [Note: Kayaks are categorized by USCG as “oar-driving craft” and meet USCG requirements by having “at hand” an “electric torch” (a.k.a. flashlight) that can be used to signal other boaters. While anchored, all watercraft must display a 360-degree white light. Some states impose additional requirements.]

ii. The Event Liaison or Tournament Director shall have predetermined the availability of cell phone or radio coverage to assure reasonable communications in the event of an emergency. [Note: All competitors should make sure their cell phone numbers are entered in the TMS and the Tournament Director should have a list of all competitors with cell phone numbers for texting or calls.]

iii. The Event Liaison or Tournament Director shall have on hand the contact information for emergency rescue and medical services and must maintain the ability to make contact at all times during the tournament.

iv The governing authority, as required by law or ordinance, shall be notified of the tournament date and hours.

v. Competitors are restricted to an on-the-water speed limit of not more than 35 miles per hour between sunset and sunrise.

vi. The Tournament or Series Director shall have in place a system of accounting for the return of all participants. [Note: This includes not only an end-of-competition check-in but also a way for competitors who leave early to notify the Event Liaison or Tournament Director.]

16. Competitor Conduct — Competitors participating in any The Bass Cast Kayak Bass Series sanctioned event must observe the applicable rules for the Competition and must conduct themselves at all times in a manner that reflects favorably on the sport of kayak bass fishing, its members, officers or representatives, tournaments or sponsors. Competitors are expected to follow high standards of sportsmanship, courtesy, integrity, safety and conservation in support of the sport of kayak bass fishing, especially when in the vicinity of non-Competitors who may be on or beside Eligible Water. Any Competitor who violates these principles, intentionally

violates Competition Rules or regulations (attempts to commit fraud) or behaves in ways that reflect unfavorably efforts to promote fisheries conservation, clean waters and courtesy, may forfeit tournament winnings, face suspension from future sanctioned events, be permanently banned from competition, or any combination thereof deemed appropriate.

17. Disputes. If you feel any rules were broken please bring it to the directors attention and they will handle it accordingly. The directors decision is final.

#### 18. Public Comments

A. Accordingly, it is an obligation of Competitors to refrain from comments in public forums and social media or to the news media that unreasonably attack or disparage the integrity of Kayak Bass Fishing tournaments, tournament officials, sponsors, fellow members, fellow Competitors or the organization. Competitors are encouraged to express themselves and have the right to question the rules officials. Responsible expressions of legitimate disagreement with policies are encouraged, as opposed to attacks upon the integrity of the rules or officials. However, public comments that a Competitor knows, or should reasonably know, will harm the reputation of The Bass Cast Kayak Bass Series, officials, members or sponsors, may result in disciplinary action.

B. Sponsor contributions will not be devalued by disputes or disagreements in public forums or social media platforms.

C. Publicly disputing a judge's ruling or any dispute or appeal decision by a Tournament Director, Series Director or Executive will result in participant receiving a warning for a first offense. A repeat of the offense will result in disciplinary action up to disqualification from the current Event and permanent termination of eligibility for future Events, even if previously qualified. This provision is not intended to discourage legitimate disputes but to ensure that a fair and unbiased approach is used and the approved challenge and appeals processes are followed in determining the best possible outcome.

19. Unavailability and Force Majeure — we will use reasonable efforts to hold the Event; however, under no circumstances will we be held responsible for unavailability caused by circumstances beyond our control, including flood, fire, hurricanes, earthquakes or other "acts of God," acts of government, civil unrest, acts of terror, strikes or labor problems nor will any Event Registration be cancelled, altered or amended once the Event has commenced on the basis of circumstances beyond reasonable control.

20. Compliance with Laws — This Agreement shall be governed by the laws of the State of Virginia. All rights and obligations of the The Bass Cast Kayak Bass Series and the Competitor under this Agreement are subject to all applicable federal, state and local laws and regulations.
